done.

A protracted meeting in the M.  
E. Church at Round Bottom, this com-  
munity, has been in progress for some time  
past.

At a meeting of the Noble County  
Medical Association held on the 8th inst.,  
at Caldwell, Dr. G. A. WAT, formerly of  
this county, read an essay on "Tenocoy-  
themia."

Fifteen hogs butchered at the  
County Infirmary, during this month,  
weighed 3,228 pounds net. One beef  
netted 1,126 pounds. The unfortunate  
at that institution will certainly not suffer  
this winter for meat.

Oh, Horror! Read this from the  
New York Mail. Many fashionable ladies  
who are partial to low-necked dresses  
and have not a pretty neck wear a  
false neck of wax or alabaster, which,  
when a heavy necklace is worn, will  
not easily be detected from the real  
article.

As the season for frosty feet is  
just setting in, the following remedy for  
relieving the intense itching produced  
therby will come quite handy to some  
unfortunate: Dissolve a lump of alum  
in a little water and bathe the part with it  
washing in before the fire. One or two  
applications are sure to give relief.

A MUSICAL TREAT. Peter's Musical  
Monthly for January comes to us in a  
new dress. It is printed on thicker paper,  
and is in every respect superior to its  
many predecessors. The selections are  
evidently made with great care, and it is  
really wonderful how few poor pieces appear  
among the hundreds that are given. Volume IX commences with the January  
number. Price 30 cents; or \$5 per year.  
The publisher offers six back numbers  
for \$1, and we advise all our musical readers  
to take advantage of the offer. Address J. L. PETERS, 599 Broadway, N.Y.
